

COMMITTEE ON APPLICATIONS

SCHEDULE OF MEETINGS

Set out below is the schedule of meetings of the Committee on Applications in 2019/20 and 2020/2021.

The appellant should ensure that he/she is available to attend a hearing on those dates. If the date of the hearing falls on a day when the appellant is not available he/she must give a satisfactory reason for his/her unavailability if he/she wishes to appear before the Committee at a future meeting.

If it is agreed to postpone the hearing, an appellant will be given a minimum of 2 weeks and a maximum of 4 months' notice of the date of the new hearing. If this new date is still not possible for the appellant, the Committee may choose to hear the case in the appellant's absence unless the reasons for the absence are, in the view of the Committee, sufficiently compelling to warrant a further postponement.

NB. The absence or non-availability of a supporter will not be accepted as reason for any postponement.
